PLEDGE TO
STRENGTHEN
Social Security

I pledge to the people of my district and to the American people that I will work to strengthen retirement security for seniors, persons with disabilities, and survivors, including strengthening Social Security.

I pledge to pay back the money that Congress has taken out of the Social Security Trust Fund.

I oppose Social Security privatization proposals that would:

- Require cuts in guaranteed benefits.
- Weaken the system by diverting money from the Social Security Trust Fund.
- Increase the federal deficit.

I support a system that helps secure Social Security for future generations with changes such as raising/eliminating the caps on taxable wages.
