Congressman Wally Herger
United States House of Representatives
Washington, DC 20510

Dear Congressman Herger:

On behalf of the National Forest Counties and Schools Coalition I wish to express our profound appreciation for your efforts on behalf of the "Secure Rural Schools and Community Self-Determination Act." We know that this measure will do much to enhance education in rural forest areas of this country and that it is critical to most counties in your district.

We count on this measure doing much to enhance all aspects of life in forest communities and improving forest health and safety as well through the special projects.

Again, special thanks to you for your continuous and effective support through the Budget Committee. We will need your assistance to ensure that the intent of the legislation is adhered to rather than being subverted by inappropriate regulations and policy.

Sincerely,

Robert E. Douglas
