House Committee on Appropriations

Washington, DC 20515

Chairman Obey and Ranking Member Lewis:

I am requesting $6,447,000 in funding for the Roanoke River Upper Basin, Virginia, flood control project in fiscal year 2010. This funding amount matches the Corps of Engineers' capability for FY2010 funding. The entity to receive funding for this project is the City of Roanoke, Virginia, located at 215 Church Street, Roanoke, Virginia 24011. The City of Roanoke and the U.S. Army Corps of Engineers are constructing a flood control plan that includes about 6.2 miles of channel widening along the 10-mile project throughout the city. I certify that neither I nor my spouse has any financial interest in this project.

Thank you for your consideration of this request.

Sincerely,

Bob Goodlatte
