Homeland Security

The Honorable Jim Turner
Ranking Member
U.S. House of Representatives
Select Committee on Homeland Security
Washington, DC 20515

Dear Representative Turner:

On behalf of Secretary Ridge, thank you for your letter of August 6, 2004, expressing concerns about recent reports by the General Accounting Office (GAO) and the Department of Homeland Security, Office of Inspector General (OIG) regarding management of DHS contracts.

You requested a briefing on steps taken in response to the recommendations made in these reports, and you also requested updated information concerning the top 50 DHS vendors and whether contracts issued to these vendors were competitively awarded.

The Department has enclosed an updated summary entitled, Department of Homeland Security Top 50 DUNS Locations by Dollars (10/01/2003 – 07/01/2004). The second enclosure, Top 50 Contractors as of 7-1-2004 with Competition, lists each of the 50 contractors and the extent of dollars competed. Further, DHS stands ready to provide the requested briefing on actions taken to resolve the GAO and OIG recommendations at your convenience. Please contact Sharon Hardie, Director, Legislative Affairs, at (202) 358-2974 to schedule the date for the briefing.

I appreciate your interest in the Department of Homeland Security and I look forward to working with you on future homeland security issues. If I may be of further assistance, please contact the Office of Legislative Affairs at (202) 205-4412.

Sincerely,

Pamela J. Turner
Assistant Secretary for Legislative Affairs
