TIPS FOR SUCCESS

Early Completion of File

It is important to contact each academy you have chosen as soon as possible. Early contact allows for the completion of your file including medical testing and may better your chances for an appointment should you receive a nomination.

United States Military Academy (West Point): www.uama.edu	Director of Admissions U.S. Military Academy 600 Thayer Rd. West Point, NY 10996-9902
United States Naval Academy (Annapolis): www.usna.edu	Candidate Guidance Office U.S. Naval Academy 117 Decatur Rd. Annapolis, MD 21402-5018
United States Air Force Academy: www.usafa.edu	Admissions Office, HQ USAFA/RRS 2304 Cadet Dr., Suite 200 USAF Academy, CO 80840-5025 1-800-443-9266
United States Merchant Marine Academy: www.usmma.edu	Admissions Office U.S. Merchant Marine Academy Kings Point, NY 11024-9997 1-800-732-6267

Early SAT/ACT Testing

This is very important, since the Academies use test scores as a primary method of evaluating candidates. If you take the tests in the spring of your junior year, you have a chance to retake them in the fall and raise your scores.

Nominations

Due to the competitive nature of the nomination process, you should seek as many nominations as possible. Be sure to contact both Senators and the Vice-President of the United States.

U.S. Senator Larry Craig 304 N. 8th St., Room 149 Boise, Idaho 83702 (208) 342-7985	U.S. Senator Mike Crapo 202 Falls Ave. #2 Twin Falls, Idaho 83301 (208) 734-2515	Vice-President Dick Cheney The White House Washington, DC 20501

Residency

Please read the following memo on residency requirements

If you are seeking a nomination to a military academy you should apply with the U.S. Representative from your legal state/district of residency. You may also apply with both Senators as well.

You may not apply with more than one Congressman or in more than one state.

The place you currently reside does not necessarily constitute your legal residence.
If you are a student, you must use your parent's legal state of residence. For instance, if your parents were transferred to Idaho but their legal residence is Texas, you must apply with the Representative from the Texas Congressional District, even though you now live in Idaho.

Here are key questions that determine residency for you and your parents:

Legal State of residency?

Home of Record?

In which state do your parents pay taxes?

In which state are your parents' cars registered?

In which state do your parents vote?

If your father/mother is a legal resident of another state yet your other parent works in Idaho and is able to answer Idaho to the above questions, then you may claim Idaho. However, if neither parent fits the criteria, you must apply in their legal state and district.

The academies are very strict about residency requirements, so if you have any questions, please contact Jim Adams at (208) 336-9831. Non-student applicants should also call if they need assistance in this determination.
