HOUSE OF REPRESENTATIVES
WASHINGTON, D. C. 20515

VINCE SNOWBARGER
THIRD DISTRICT
KANSAS

Bill -

I consider the "refundability" issue critical to our integrity as a conference. We told the American people this would amount to welfare. The President admits it is increased welfare. And all agree it amounts to increased spending — not a tax reduction. This violates the agreement we reached with the White House.

Please hold firm. The attached letter further explains my frustration.

Thanks.

Vince Snowbarger
