SECTION C – DESCRIPTIONS/SPECIFICATIONS/SCOPE OF SERVICES

C.1 BACKGROUND

The United States House of Representatives (House), Office of the Chief Administrative Officer (CAO), is issuing this solicitation under Section III (A) of the *Guidelines for Procurement of Goods and Services for the U.S. House of Representatives (Procurement Guidelines)*. The *Procurement Guidelines* are available on the House website, www.house.gov, Doing Business with the House, under Additional Resources. Procurements by the House are not governed by the Federal Acquisition Regulation (FAR) or other procurement statutes, regulations and policies applicable to the federal executive branch, except where specifically stated in this solicitation or applicable law.

The U.S. House of Representatives is comprised of 435 elected Members of Congress (including 900 district offices located throughout the U.S. and its territories), five elected Delegates, one elected Resident Commissioner, 21 Committees (with over 100 subcommittees), four Joint Committees with the U.S. Senate, nine Leadership offices, and numerous support offices, including the Office of the Chief Administrative Officer (CAO). For further information about the general organization of the House, see the House website, www.house.gov. For purposes of this solicitation, references to Members also include the Member's District Office, Delegates and the Resident Commissioner.

The Office of the CAO is responsible for providing, maintaining, storing, moving, and inventorying furniture and furnishings for the House. The Office of the CAO provides maintenance for over 120,000 furniture items, including desks, bookcases, case goods, tables, chairs, and upholstered sofas and chairs.

The Office of the CAO's area of responsibility covers three House Office Buildings (Rayburn, Longworth, and Cannon), the House side of the Capitol, and two annexes (Ford and O'Neill). Within these areas, the Office of the CAO services approximately 441 Congressional Member offices, 21 full Committee offices, 1 Select Committee offices, 4 Joint Committee offices, and approximately 2,200 to 2,500 offices using office furniture with between 8,000 and 10,000 employees occupying these suites.

House furniture inventory mainly consists of wood and wood/veneered desks, bookcases, case goods, credenzas, tables and upholstered sofas and chairs. Wood finishes are typically mahogany, walnut and some cherry.

The terms and conditions contained in this **RFP** will be incorporated into any award that may result in the issuance of this solicitation (Note Sections J, K, and M of the **RFP** will be incorporated as reference into any resulting contract document).

C.2 PURPOSE

The Office of the CAO is interested in awarding contracts for the repair, restoration, finishing, and upholstering of a wide variety of furniture.

C.3 SCOPE

The Contractor shall be responsible for ensuring that the furniture is restored close to its original condition. A high degree of craftsmanship shall be exercised in order to refurbish furniture suitable for use in House offices. Rates listed in a Purchase Order will remain in effect for the life of the Purchase Order even if it crosses into another period.

Contractor to provide all supplies and materials. All supplies and materials have to be House approved products. All work to be performed at contractor's facilities.

The House will inspect furniture prior to sending for refurbishment and will send a complete unit. End of Section D

SECTION F -- DELIVERIES OR PERFORMANCE

F.1 PERIOD OF PERFORMANCE APRIL 2013

Contract period of performance will be a **base period of two years from award date.**

F.2 OPTION TO EXTEND THE TERM OF THE CONTRACT APRIL 2013

The House may extend the term of this Contract two times as follows:

Option 1: 2 years (24 months)

Option 2: 1 year (12 months)

- a. Preliminary written notice to the Contractor of the House's intention to exercise these options will be at least thirty (30) calendar days before the Contract expires. The preliminary notice does not commit the House to an extension.
- b. Total Term. The total duration of this Contract, including the exercise of any options under this clause shall be seven years if the options to extend services are exercised, unless clause F.2 is enacted.

F.3 PLACE OF PERFORMANCE APRIL 2013
Offers location.

F.4 NOTICE TO THE HOUSE OF DELAYS DECEMBER 2014

In the event the Contractor encounters difficulty in meeting performance requirements, or when the Contractor anticipates difficulty in complying with this Contract, or whenever the Contractor has knowledge that any actual or potential situation is delaying or threatens to delay the timely performance of this Contract, the Contractor shall immediately notify the COR by telephone and follow-up in writing to the COR within two (2) business days after the verbal notice, giving pertinent details. This notification does not relieve the Contractor of its obligations to meet the delivery and/or performance requirements of this Contract nor should this notification be construed as a waiver by the House of any delivery schedule or date, performance requirements, or any rights or remedies provided under this Contract. Failure to meet delivery/completion dates shall relieve the House of any obligation to accept and pay for any such goods, equipment and/or services at the option of the House and without liability.

F.5 SUSPENSION AND DEBARMENT MAY 2001

- a. Policy. The House will solicit offers from, award contracts to and consent to subcontracts with responsible contractors only. The prime contractor is responsible for vetting its subcontractors. Although recognized as a serious administrative action, the House may suspend or debar contractors if necessary to protect the U.S. Government's interest.
- b. Causes for Suspension and Debarment. The House may suspend or debar a contractor suspected, upon adequate evidence, of:
 - i. commission of fraud or a criminal offense in connection with obtaining, attempting to obtain, or performing a Federal, state or local government contract or subcontract;
 - ii. violation of Federal or State antitrust statutes relating to the submission of offers;
 - iii. commission of embezzlement, theft, forgery, bribery, falsification or destruction of records, making false statements, tax evasion, violating Federal criminal tax laws or receiving stolen property;

Solicitation	Document No.: OAM16087S	Document Title: Furniture Restoration Program	Page 11
--------------	-------------------------	---	-----------

- iv. delinquent Federal taxes in an amount that exceeds three thousand dollars (\$3,000);
- v. knowing failure by a principal, until three (3) years after final payment on any Government contract awarded to the Contractor, to timely disclose to the Contracting Officer, in connection with the award, performance or closeout of the contract or subcontract thereunder, credible evidence of a: (A) violation of Federal criminal law involving fraud, conflict of interest, bribery or gratuity violations found in Title 18 of the United States Code; (B) violation of the civil False Claims Act (31 U.S.C. 3729-3733); or (C) significant overpayment(s) on the Contract; or
- vi. commission of any other offense indicating a lack of business integrity or business honesty that seriously and directly affects the present responsibility of the Government contractor or subcontractor.

Indictment for any of the causes listed above constitutes adequate evidence for suspension and/or debarment. The House may, upon adequate evidence, also suspend a contractor for any other cause so serious or compelling a nature that it affects the present responsibility of the Government contractor or subcontractor.

- c. Suspension. If suspended, the Contractor is temporarily disqualified from contracting with the House as a prime and/or House-approved subcontractor, in full or in part, pending the completion of an investigation and any ensuing legal proceeding(s).
 - i. *Procedures*. The Contracting Officer initiates suspension and debarment proceedings. If the Contractor and any specifically named affiliates are suspended, the Contracting Officer shall advise the individual or company immediately by certified mail, return receipt requested:
 1. that the individual or company has been suspended and that the suspension is based on an indictment or other adequate evidence that the Contractor has committed irregularities: (A) of a serious nature in business dealings with the House; or (B) seriously reflecting on the propriety of further House dealings with the Contractor. Any such irregularities shall be described in terms sufficient to place the Contractor on notice without disclosing the House’s evidence;
 2. that the suspension is for a temporary period pending the completion of an investigation and such legal proceedings as may ensue;
 3. of the cause(s) relied upon for imposing suspension;
 4. of the effect of the suspension; and
 5. that, within thirty (30) calendar days after receipt of the notice of suspension, the Contractor or its representative may submit to the Chief Administrative Officer, in writing or in person, information and argument in opposition to the suspension, including any additional specific information that raises a genuine dispute over the material facts.
- d. GSA Notification. The House reserves the right to notify GSA if the Contractor is suspended, debarred or proposed for suspension or debarment by the House.
- e. GSA Suspension and Debarment. After being listed on the System for Award Management (“SAM”), the House shall not solicit offers from, award contracts to or consent to subcontracts with the listed contractor, unless the House’s Chief Administrative Officer determines that there is a compelling reason for such action. Furthermore, contractors listed on SAM are excluded from conducting business with the House as agents or representatives of other contractors.
- f. Debarment. If debarred, the Contractor is excluded from contracting with the House as a prime and/or House-approved subcontractor, in full or in part, for a defined period of time, generally not to exceed three (3) years.

- i. *Procedures.* If the Contractor and any specifically named affiliates are proposed for debarment, the House shall advise the individual or company immediately by certified mail, return receipt requested:
 1. that debarment is being considered;
 2. of the reasons for the proposed debarment in terms sufficient to put the Contractor on notice of the conduct or transaction(s) upon which it is based;
 3. of the cause(s) relied upon for proposing debarment;
 4. that, within thirty (30) calendar days after receipt of the notice, the Contractor or its representative may submit to the Chief Administrative Officer, in writing or in person, information and argument in opposition to the proposed debarment, including any additional specific information that raises a genuine dispute over the material facts;
 5. of the effect of the issuance of the notice of proposed debarment;
 6. of the potential effect of an actual debarment; and
 7. of the House's procedures governing debarment decision-making.

The decision of the Chief Administrative Officer on the merits of a debarment shall be final. A decision may be appealed by the Contractor to the Committee on House Administration, in writing, within ten (10) calendar days of receipt of notification of the decision. However, the only basis for appeal is that the Chief Administrative Officer failed to follow the procedures established herein. No other basis for appeal will be considered by the Committee on House Administration.

- ii. *Notice.* In the event that the Chief Administrative Officer makes a determination to impose debarment, the House shall give the Contractor and any subcontractors affiliated with the project prompt notice by certified mail, return receipt requested:
 1. referring to the notice of proposed debarment;
 2. specifying the reasons for debarment; and
 3. stating the period of debarment, including effective dates.

F.6

PAYMENT FOR NON-PERFORMANCE

APRIL 2013

- a. General. If the Contractor fails to comply with this Contract or any extension, the House may terminate this Contract under the termination clause of the Contract. The Contractor shall be liable for fixed, agreed damages as provided for in this clause, accruing until the time the House may reasonably obtain delivery or performance of similar services.
- b. Payment for Non-Performance. In the event that the Contractor fails to perform as stipulated in this Contract, and such failure is not for a reason beyond the control of the Contractor, the House may charge the Contractor twice the daily billed amount to the House for the applicable service(s) provided, or in the case of goods, the value of the goods/equipment, multiplied by the number of calendar days of late delivery. The House may also obtain payment equal to the costs incurred by the House to rectify, mitigate and repair the damages caused by the Contractor's failure to comply and/or perform. The House may obtain performance from another source and charge and collect all administrative costs incurred with entering in to a new contract plus the increase in costs to the House of the new plan, if higher than the billing rate of the non-performing and/or non-compliant Contractor.

SECTION M -- EVALUATION FACTORS FOR AWARD

M.1 EVALUATION FACTORS FOR AWARD JULY 2001

The House may make a single or multiple awards from proposals submitted in response to this solicitation. Offers will be evaluated based upon:

- Technical / Refurbishment Approach
- Management Approach such as ensuring quality consistency process and lead-times provided.
- Corporate Capabilities / Past Performance
- Samples / Photographic Portfolio
- Oral presentation if required. Oral presentations may be required at the discretion of the House.
- Price.

Risk Assessment. Price proposals may be evaluated to identify and assess potential risks, which may be inherent in the Offeror's approach. The estimated costs to correct any deficiencies in the Offeror's proposal may also be evaluated.

Price Realism. Proposed pricing will be evaluated not only to determine if the price is reasonable, realistic, and affordable, but also to determine the Offeror's understanding of the requirements. The proposal is presumed to represent the Offeror's best efforts to respond to the solicitation. Any inconsistency, whether real or apparent between promised performance and price, must be explained in the proposal. For example, if unique and new approaches are the basis for an abnormally low estimate, the nature of these approaches and their impact on price must be explained. Any significant inconsistency, if unexplained, raises a fundamental issue of the Offeror's understanding of the nature and scope of the work required. It also may reflect on the Offeror's ability to perform the contract within the financial restraints and may be cause for rejection of the proposal. The burden of proof as to price credibility rests with the Offeror.

M.2 BASIS FOR AWARD MARCH 2013

Best Value. Award is based on the proposal which is determined to be most advantageous to the House. Non-price factors, when combined, may be more important than price.

Low Price, Technically Acceptable. Award will be made to the lowest priced proposal of those proposals determined to be technically acceptable.

M.3 CONTRACT AWARD MARCH 2013

- a. The House may make single or multiple awards from this solicitation to the responsible Offeror whose offer conforms to this solicitation, taking into account the factors contained in M.1 "Evaluation Factors for Award."
- b. The House may:
- i. reject any or all offers, if such action is in its interest;
 - ii. waive informalities and minor irregularities in offers received.
- c. The House may make single or multiple awards without discussions. Therefore, each initial offer should contain the Offeror's best terms. However, the Contracting Officer reserves the right to conduct discussions if they are later determined to be necessary.
