Dear Chairman Obey:

I am requesting funding for the "On Location" Entertainment Industry Craft and Technician Training project in fiscal year 2008. The entity to receive funding for this project is West Los Angeles College, located at 9000 Overland Avenue, Culver City, CA 90230. The funding would be used to develop a first-of-its-kind entertainment industry craft and technician college job training program to respond to the film and television industry's immediate need for new, trained employees in trades and crafts. I certify that neither I nor my spouse has any financial interest in this project.

Sincerely,

Diane E. Watson  
Member of Congress
