## Kind Sworn in to the 110<sup>th</sup> Congress

*New Congress Heralds New Era of Governing, Progress & Prosperity*

**Washington, DC** – Upon being sworn-in today for the sixth time, U.S. Rep. Ron Kind (D-WI) hailed the start of the 110<sup>th</sup> Congress under the leadership of Speaker Nancy Pelosi and a Democratic majority as the advent of a new era of governing and an historic moment for the House of Representatives and the nation.

“Our founding fathers bestowed upon this great nation a vision of democracy driven by the pursuit of liberty, justice, security, and opportunity for all people. Today, the 110<sup>th</sup> Congress pledged to uphold that vision with a new era of governing that strives for the common good and gives hope for a future of progress and prosperity.

“In this new era, this Congress will commit itself to work with the highest ethical standard and civility to advance a common vision that works on behalf of all Americans. Our responsibility to do the work required and asked of us by the people of this great country demands a solid commitment to partnership, not partisanship. This Congress recognizes that we as a whole are stronger than the sum of our parts and will work with that as our guiding principle in shaping sound public policy that puts the people’s interests before the special interests.”

“The beginning of the 110<sup>th</sup> Congress also marks an historic moment in electing the first woman to serve as the Speaker of the House of Representatives. Speaker Pelosi is a leader of the utmost dignity, integrity and compassion, and her election as the first female Speaker exemplifies the ideals of equality and opportunity that we treasure as Americans.”

“Today, America faces many challenges, but we also stand on the brink of opportunity and progress. It is with great hope and optimism that I take my oath today and pledge to work in the spirit of bipartisanship to move our nation forward.”
