Rep. Kind Statement on Collapse of I-35W Bridge

Washington, DC – U.S. Rep. Ron Kind (D-WI) today made the following statement on the unexpected collapse of the I-35W Bridge in Minneapolis, Minnesota:

“Everyday, thousands of western Wisconsin residents make the trip across the Mississippi River to the Twin Cities for work – and their safety is my highest priority. I will be working closely with the Minnesota delegation as officials find out the cause of this disaster, if other transportation infrastructure projects need further examination, and how we can improve the inspection process to ensure this never happens again.

“In the meantime, my thoughts and prayers are with those affected by this disaster, and I strongly encourage those looking to help the people of the Twin Cities through this tragedy to visit the Twin Cities Red Cross’ website at www.redcrosstc.org.”
