

**Project:** Lewis, Lawrence and Wayne Water & Environmental Infrastructure

**Recipient:** U.S. Army Corp of Engineers, Nashville District

**Address:** U.S. Army Corps of Engineers, Nashville District, P.O. Box 1070, Nashville, Tennessee 37202

**Subcommittee:** Energy and Water

**Amount requested:** \$500,000

**Project description:** Lewis, Lawrence and Wayne Counties are located in Southwestern Middle Tennessee where water supply is becoming an increasing concern.

Funding (\$500K) must be included in the Construction appropriations to complete a letter report, execute a design agreement, and initiate growth projections, needs analysis, alternatives analysis, and NEPA compliance.

The project will benefit the 4<sup>th</sup> District/U.S. Government by contributing to the goals of supplying a potable water system to rural communities.
