## **Shuster Secures \$98,000 for the Huntingdon County Community Center**

*Washington, D.C.* –**Congressman Bill Shuster** is pleased to announce that he has successfully secured \$98,000 in the Omnibus Appropriations Act for improvements to the Huntingdon County Community Center.

The \$98,000 will be used for the expansion of the facilities at the Huntingdon County Community Center, which is a crucial part of the community. The center provides the youth of the area with both sporting and educational activities in a safe and nurturing environment. Its popularity necessitates an expansion to maintain its high level of service to Huntingdon County.

“Centers like this are the glue that keeps our communities strong,” Shuster said. “The Huntingdon County Community Center has done a great job for the youth it serves and the facility needs to respond to the increase in demand for its services.”

“This funding will give the staff of the center the ability to respond and I look forward to seeing how the community center expands,” Shuster added.
