Shuster Rolls-Out Blog on House Website ***Bills' Blog to Feature Breaking News, Daily Updates from Washington and 9th District***

Washington, D.C. – **Congressman Bill Shuster** is pleased to announce the launch of *Bill's Blog* on his official website www.house.gov/shuster.

“Internet technology continues to advance at an amazing pace. Almost every day it seems a new tool becomes available that I can use to better communicate with my constituents,” Shuster said.

“Blogs have been increasing in popularity over the past few years and they have proven to be a great resource to keep people plugged-in to what’s going on in the world,” Shuster added. “I want my blog to keep my constituents connected by offering them news that they may not read in the paper or see on TV and post breaking updates on what I’m doing in Washington or back home in the district.”

Congressman Shuster’s blog will be updated throughout the day with news, links, photos and video. As with all Internet technologies, *Bill's Blog* will be updated with new features and capabilities as they become available.
