Spratt Announces Grant for After-School Arts Program

WASHINGTON – U.S. Rep. John Spratt (D-SC) announced today that a grant of \$10,000 will be awarded to Puck's Theater by the National Endowment for the Arts.

The Hartsville-based theater plans to use the funds to help sponsor an after-school arts program in conjunction with Lee and Darlington county school districts.

Spratt said the program will provide positive alternatives for troubled youth through theater, dance, and music instruction.
