Buffalo VFD Awarded Loan

WASHINGTON – U.S. Rep. John Spratt (D-SC) announced today that the Buffalo Volunteer Fire Department of Cherokee County has been awarded a \$75,000 loan from the U.S. Department of Agriculture’s Rural Development Service.

Spratt said the funds will be used to purchase land and equipment and build a substation addition. The project will enable the department to respond to a greater variety of calls and improve response time.

The department covers some 3,500 residents.
