Spratt Announces Community Development Block Grant

WASHINGTON – U.S. Rep. John Spratt (D-SC) announced today that the city of Sumter will receive a \$644,000 grant from the U.S. Department of Housing and Urban Development.

Spratt said the funds will go toward the city's Community Development Block Grant program, which includes youth employment, downtown historic preservation, affordable housing, demolition of substandard structures and facilities, and improvements in parks, streets, and drainage systems.
