Spratt Announces “Challenge America” Grant

WASHINGTON – U.S. Rep. John Spratt (D-SC) announced today that Darlington County Cities in Schools, Inc. has been awarded a \$10,000 “Challenge America” grant from the National Endowment for the Arts.

Spratt said Challenge America grants are aimed at helping rural communities develop arts education. The program seeks to foster arts education and community-wide public outreach initiatives and to engage artists, arts organizations, and American communities in partnership to make the arts central to community life.

Spratt said that this particular grant will benefit students in grades 6-12.
