Richburg, Sumter Fire Departments Win Grants

WASHINGTON – U.S. Rep. John Spratt (D-SC) announced today that fire departments in Richburg and Sumter will receive grants from the Federal Emergency Management Agency (FEMA).

The Richburg Fire Department will receive \$50,760 for operations and safety and the City of Sumter Fire Department will receive \$110,813 for emergency medical services.

“Firefighters are brave men and women who confront new challenges every day,” said Spratt. “These grants will help to provide them with the tools to do their jobs safely and efficiently.”
