Spratt Wins Praise from SC Seniors

WASHINGTON – U.S. Rep. John Spratt (D-SC) has been selected as an “All American Hero” by the South Carolina State Council of Senior Citizens.

“John Spratt has championed numerous and varied issues of concern to seniors in South Carolina and across America, and has done so for many, many years,” said Council President Jim Millsap. “We are proud that John Spratt is our Congressman and we appreciate all that he does for all of us.”

Millsap said that Spratt has supported senior citizens on the right to financial security; pension security; and health benefits with a Medicare prescription drug plan that is universal, voluntary, comprehensive, and affordable. Spratt has also worked to keep Social Security sound and solvent, without privatization, Millsap said.

The South Carolina State Council of Senior Citizens is a nonprofit, nonpartisan organization committed to promoting and protecting the interests of senior citizens. The group supports legislation aimed at winning benefits for both workers and retirees. The organization is affiliated with the Alliance for Retired Americans, a nationwide organization of more than 2.7 million union retirees and other older and retired Americans.
