Buffalo Fire Dept. Wins Fire Safety Grant

WASHINGTON – U.S. Rep. John Spratt (D-SC) announced today that the Buffalo Volunteer Fire Department, of Blacksburg, has been awarded a grant from the U.S. Department of Homeland Security.

Spratt said the \$55,215 grant will go toward fire operations and firefighter safety, which includes training, wellness and fitness, firefighting equipment, personal protective equipment, and modifications to fire stations and facilities.

“Fire safety grants are a big help to the men and women who help protect our neighborhoods and communities,” said Spratt. “I am delighted Buffalo won the money.”
