Spratt Announces Fire Safety Grant for Brocks Mill

WASHINGTON – U.S. Rep. John Spratt (D-SC) announced today that Brocks Mill Rural Fire Department, of Cheraw, has been awarded a grant from the U.S. Department of Homeland Security.

Spratt said the \$85,176 grant will be used for fire operations and firefighter safety, which includes training, wellness and fitness, firefighting equipment, personal protective equipment, and modifications to fire stations and facilities.

“Fire safety grants are a big help to the men and women who help protect our neighborhoods and communities,” said Spratt. “I am delighted Brocks Mill is getting the money.”
