### **Spratt Announces Funds for Lee County Fire & Rescue**

WASHINGTON – U.S. Rep. John Spratt (D-SC) announced today that Lee County has received a rural development loan and grant from the U.S. Department of Agriculture.

The \$150,000 loan and \$50,000 grant will be used to purchase fire and rescue vehicles to serve the lower part of the county. The substation will serve 2,119 residents.

“These federal funds are a big help to the men and women who help protect our neighborhoods and communities,” said Spratt. “I am delighted Lee County is getting the money.”
