Spratt Announces Grant for Byerly Park

WASHINGTON – U.S. Rep. John Spratt (D-SC) announced today that the city of Hartsville has been awarded a \$250,000 grant from the National Park Service.

Spratt said the grant would help fund construction projects at Byerly Park, including a four-field youth softball/baseball complex, four to six tennis courts, two football fields, two additional parking lots, trails, and a new park entrance.
