Spratt Announces Grant for Chester Sewer District

WASHINGTON – U.S. Rep. John Spratt (D-SC) announced today that Chester Sewer District has been awarded a \$900,000 grant from the Economic Development Administration.

Spratt said the funds would help to upgrade the Lando Wastewater Treatment Plant from 500,000 to 1 million gallons per day and improve two pump stations. The project is expected to generate \$109 million in private investment and 200 new jobs.
