Spratt Announces Grant for McColl

WASHINGTON – U.S. Rep. John Spratt (D-SC) announced today that the town of McColl has been awarded a \$21,000 water/sewer grant from the U.S. Department of Agriculture.

The funds will be used to buy a new high-pressure machine to clean out clogged sewer lines. The town's current machine has been out of service for over a year and the town has had to borrow machines from neighboring towns.
