Spratt Announces Water Loan and Grant for Jenkinsville

WASHINGTON – U.S. Rep. John Spratt (D-SC) announced today that Jenkinsville Water Company has been awarded a loan and grant from the U.S. Department of Agriculture.

The \$307,500 loan and \$240,000 grant will be used to replace standpipe and water lines, install automated controls and valves, build pump stations, and close down wells.

“This is great news,” said Spratt, “and a good example of how the federal government helps out at the local level.”
