Spratt Announces Grant for Jefferson

WASHINGTON — U.S. Rep. John Spratt (D-SC) announced today that the U.S. Department of Agriculture has awarded a \$25,000 grant to the town of Jefferson.

Spratt said the funds would be used to renovate and convert the former school cafeteria into a community center.

“This grant demonstrates how USDA’s rural development program still aids citizens in our rural communities,” said Spratt. “It’s a plus for small cities and towns all over South Carolina.”
