2005 CONGRESSIONAL ISSUES SURVEY RESULTS

Top Constituent Priorities

Do you think the United States should pull out of Iraq as soon as possible?

Pete Stark
M.C.
PRESORTED STANDARD

April 2005

Dear Friend:

Thank you for your response to my recent Constituent Issues Survey. As you can see from the charts presented here, East Bay residents strongly support protecting Social Security, ending the war in Iraq, and making health care more affordable.

I encourage you to visit my website at www.house.gov/stark to view all of the survey results and to sign up for periodic email updates.

Please join me at one of my town meetings on Saturday, April 9th to discuss critical issues including:

- The threat to health care for millions of children, pregnant women and senior citizens if Congress approves massive cuts in Medicaid.
- Congress' approval of unwarranted government intrusion into personal medical decisions.
- Violations of your child's privacy by military recruiters as allowed under the No Child Left Behind Act.

These and many other important issues are facing Congress. Please come and share your views.

Sincerely,

Pete Stark
