MEMBERS' REPRESENTATIONAL ALLOWANCE LEGISLATIVE YEAR 2026

The Members' Representational Allowance for 2026 utilizes the 2025 amount for each Congressional District.

1. Clerk-Hire Component: Standard amount of \$1,434,751 for all Members to cover personnel compensation costs using comparable GS levels and compensation for standard Member office positions.
2. Official Expense Component: Based on one standard and two variable components to cover all office expenditures other than personnel compensation and official mail.
 - Office: Standard amount of \$134,412 for all Members to cover office expenditures, such as equipment, supplies, subscriptions, technology contracts, etc., based on an actual expenditure over the last 10 years.
 - Travel: Variable amount for official travel expenses, including travel between Washington, D.C., and the district, as well as local official travel within the district and out of district official travel, that is based on the following formula:

 Base amount (\$20,000) + (Weighted Air Travel Cost x Number of One-Way Trips) + Days of Lodging + Days of Meals & Incidentals.

 • Weighted travel was calculated for each District based on the General Services Administration's (GSA) City Pair Program and Federal Aviation Administration's airport data. Formula assumes 90 one-way trips between Washington, D.C. and the District (72 Member/18 Staff) and 75 days of lodging and meals at the GSA Per Diem rate for the district.
 - District Office Rent: Variable amount based on dollar equivalent of 2,500 square feet multiplied by the applicable GSA rental rate for each district.
3. Official Mail Component: Variable amount based on the formula below to cover official communication expenses including franked mail as well as related printing and production costs.
 - 3 x first class rate for mail (as determined by the Postmaster General) x number of postal addresses (other than business delivery stops) in the Member's congressional district.
 - The Committee has set the amount at 25% of this calculation.
