MEMBERS' REPRESENTATIONAL ALLOWANCE

As directed by the Committee on House Administration, listed below in this public report are the 2009 representational allowances for the Members of Congress.

The 2009 Members' Representational Allowance is calculated based on three components:

1. Standard clerk-hire figure for all Members: \$922,350
2. Official expenses formula, which varies for each Member based on the following:
 - A base amount of \$250,512
 - The Dollar equivalent of 64 x the rate per mile multiplied by the mileage between the District of Columbia and the furthest point in the Member's district, according to the Rand McNally Standard Highway Mileage Guide, plus ten percent. The Following rates per mile apply:

Under 500 miles	\$0.96
At least 500 but less than 750 miles	.86
At least 750 but less than 1,000 miles	.71
At least 1,000 but less than 1,750 miles	.61
At least 1,750 but less than 2,250 miles	.51
At least 2,250 but less than 2,500 miles	.48
At least 2,500 but less than 3,000 miles	.43
3,000 miles or more	1.32
 - In no case, shall this amount be less than \$6,200.
 - The dollar equivalent of 2,500 square feet multiplied by the applicable General Services Administration (GSA) rental rate. This rate is based on the rental rate charged by GSA to Federal Agencies and departments located in counties and metropolitan areas located (in whole or in part) in the Member's district.
3. The Official Mail component varies for each Member based on the following formula:
 - Not more than the product of 3 times the single-piece rate applicable to first class mail and the number (as determined by the Postmaster General) of addresses (other than business delivery stops) in the Member's congressional district.
 - The Committee has set the amount at 45% of this calculation.
