- vi. commission of any other offense indicating a lack of business integrity or business honesty that seriously and directly affects the present responsibility of the Government contractor or subcontractor.

Indictment for any of the causes listed above constitutes adequate evidence for suspension and/or debarment. The House may, upon adequate evidence, also suspend a contractor for any other cause so serious or compelling a nature that it affects the present responsibility of the Government contractor or subcontractor.

- c. Suspension. If suspended, the Contractor is temporarily disqualified from contracting with the House as a prime and/or House-approved subcontractor, in full or in part, pending the completion of an investigation and any ensuing legal proceeding(s).

 - 1. that the individual or company has been suspended and that the suspension is based on an indictment or other adequate evidence that the Contractor has committed irregularities: (A) of a serious nature in business dealings with the House; or (B) seriously reflecting on the propriety of further House dealings with the Contractor. Any such irregularities shall be described in terms sufficient to place the Contractor on notice without disclosing the House's evidence;
 - 2. that the suspension is for a temporary period pending the completion of an investigation and such legal proceedings as may ensue;
 - 3. of the cause(s) relied upon for imposing suspension;
 - 4. of the effect of the suspension; and
 - 5. that, within thirty (30) calendar days after receipt of the notice of suspension, the Contractor or its representative may submit to the Chief Administrative Officer, in writing or in person, information and argument in opposition to the suspension, including any additional specific information that raises a genuine dispute over the material facts.

- e. GSA Suspension and Debarment. After being listed on the System for Award Management ("SAM"), the House shall not solicit offers from, award contracts to or consent to subcontracts with the listed contractor, unless the House's Chief Administrative Officer determines that there is a compelling reason for such action. Furthermore, contractors listed on SAM are excluded from conducting business with the House as agents or representatives of other contractors.

---------------------	-----------------------------------	---	------------------

- f. **Debarment.** If debarred, the Contractor is excluded from contracting with the House as a prime and/or House-approved subcontractor, in full or in part, for a defined period of time, generally not to exceed three (3) years.
- i. **Procedures.** If the Contractor and any specifically named affiliates are proposed for debarment, the House shall advise the individual or company immediately by certified mail, return receipt requested:
1. that debarment is being considered;
 2. of the reasons for the proposed debarment in terms sufficient to put the Contractor on notice of the conduct or transaction(s) upon which it is based;
 3. of the cause(s) relied upon for proposing debarment;
 4. that, within thirty (30) calendar days after receipt of the notice, the Contractor or its representative may submit to the Chief Administrative Officer, in writing or in person, information and argument in opposition to the proposed debarment, including any additional specific information that raises a genuine dispute over the material facts;
 5. of the effect of the issuance of the notice of proposed debarment;
 6. of the potential effect of an actual debarment; and
 7. of the House's procedures governing debarment decision-making.

The decision of the Chief Administrative Officer on the merits of a debarment shall be final. A decision may be appealed by the Contractor to the Committee on House Administration, in writing, within ten (10) calendar days of receipt of notification of the decision. However, the only basis for appeal is that the Chief Administrative Officer failed to follow the procedures established herein. No other basis for appeal will be considered by the Committee on House Administration.

- ii. **Notice.** In the event that the Chief Administrative Officer makes a determination to impose debarment, the House shall give the Contractor and any subcontractors affiliated with the project prompt notice by certified mail, return receipt requested:
1. referring to the notice of proposed debarment;
 2. specifying the reasons for debarment; and
 3. stating the period of debarment, including effective dates.

F.6

PAYMENT FOR NON-PERFORMANCE

APRIL 2013

- a. **General.** If the Contractor fails to comply with this Contract or any extension, the House may terminate this Contract under the termination clause of the Contract. The Contractor shall be liable for fixed, agreed damages as provided for in this clause, accruing until the time the House may reasonably obtain delivery or performance of similar services.
- b. **Payment for Non-Performance.** In the event that the Contractor fails to perform as stipulated in this Contract, and such failure is not for a reason beyond the control of the Contractor, the House may charge the Contractor twice the daily billed amount to the House for the applicable service(s) provided, or in the case of goods, the value of the goods/equipment, multiplied by the number of calendar days of late delivery. The House may also obtain payment equal to the costs incurred by the House to rectify, mitigate and repair the damages caused by the Contractor's failure to comply and/or perform. The House may obtain performance from another source and charge and collect all administrative costs incurred with entering in to a new contract plus the increase in costs to the House of the new plan, if higher than the billing rate of the non-performing and/or non-compliant Contractor.

the extent the appeal is based on the Contracting Officer's alleged failure to follow procedural guidelines. No other basis of appeal may be submitted to the Committee on House Administration. If no such appeal is taken, the decision of the Chief Administrative Officer shall be final.

G.11

MODIFICATIONS

DECEMBER 2014

- b. The Contracting Officer may at any time, by written order make changes within the general scope of this Contract in any one (1) or more of the following: (a) drawings, designs or specifications when supplies/equipment to be furnished are to be specifically manufactured for the House in accordance with the drawings, designs or specifications; (b) method of shipment or packing; or (c) place of delivery/performance. If any such change causes an increase or decrease in the cost or, or the time required for, performance of any part of the work under this Contract, the Contracting Officer shall make an equitable adjustment in the contract price, the delivery/performance schedule, or both, and shall modify this Contract. The Contractor must assert its right to an adjustment under this clause within thirty (30) calendar days from the date of receipt of the written order. Failure to agree to any adjustment shall be a dispute under the "Disputes" clause in this Contract. However, nothing in this clause shall excuse the Contractor from proceeding with the Contract as changed.

G.12

TERMINATION

DECEMBER 2014

- a. Termination for Convenience of the House. The House may terminate, in whole or in part, the performance of work under this Contract for its convenience at any time by providing written notice to the Contractor ("Notice of Termination"). After receipt of a Notice of Termination, and except as directed by the House, the Contractor shall immediately proceed with the following obligations, as applicable, regardless of any delay in determining or adjusting any amounts due under this clause:
 - i. stop work as specified in the Notice of Termination;
 - ii. place no further subcontracts or orders for goods, equipment or services, except as necessary to complete any continuing portion of this Contract;
 - iii. terminate all subcontracts and orders to the extent they relate to the work terminated;
 - iv. settle all outstanding liabilities and termination settlement proposals arising from the termination of subcontracts and orders; and
 - v. diligently continue to perform any work not terminated.
- b. Payments. Unless otherwise set forth in this Contract, if the Contractor and the House fail to agree on the amount to be paid because of the termination for convenience, the House will pay the Contractor the percentage of the Contract price reflecting the percentage of the work performed prior to the Notice of Termination, plus reasonable termination-related charges the Contractor can demonstrate to the satisfaction of the Contracting Officer using the Contractor's standard record keeping system. The Contractor will use generally accepted accounting principles that are in accordance with auditing standards promulgated by the International Accounting Standards Board, or accounting principles otherwise agreed to in writing by the parties, and sound business practices in determining all costs claimed, agreed to or determined under this clause. The Contractor shall not be paid for any work performed or costs incurred which reasonably could have been avoided.
- c. Termination for Default/Cause. The House may, with written notice of default to the Contractor, terminate this Contract in whole or in part for cause in the event of any default by the Contractor, or if the Contractor fails to comply with any Contract term or condition, or fails to provide the House, upon request, with adequate assurances of future performance. In the event of termination for cause, the House shall not be liable to the Contractor for

Solicitation	Document No.: OAM22007S	Document Title: IDIQ Audio Visual (AV) Equipment and Installation	Page 17
---------------------	-----------------------------------	---	------------------

any amount for goods or services not accepted, and the Contractor shall be liable to the House for any and all rights and remedies provided by law. Generally, after the written notice and prior to terminating this Contract for default, the House will provide the Contractor five (5) calendar days to cure the defective performance; however, if the defective performance results in a breach of information security, substantial harm to the House, or a failure to meet the delivery schedule, the House reserves the right to immediately terminate this Contract for default, without providing the Contractor a cure period. The Contractor shall diligently continue to perform the work not terminated. If it is determined that the House improperly terminated this Contract for default/cause, such termination shall be deemed a termination for convenience. All disputes arising under or related to this Contract shall be resolved under the provisions of this Contract and the procedures set forth in the "Disputes" section in the *Procurement Instructions for the U.S. House of Representatives*, which shall be provided upon request.

The Contractor must submit a report prior to the commencement of work to the COR, which lists all Contractor employees and subcontractor employees who will be working on this Contract and states that the U.S. Department of Justice, Immigration and Naturalization Service Employment Eligibility Verification Form I-9 was completed and verified for each person listed. This report must be signed and dated by a Contractor Human Resources Director or Manager. For Contractor employees and subcontractor employees placed on this contract after the initial report submission, the Contractor must complete the CAO Contractor/Contract Employee Registration Form (available on www.house.gov). The COR will provide the Contractor with Capitol Police forms (CP-491 or equal) to be filled out and returned for each Contractor employee and subcontractor employee working in any capacity on this Contract. Forms for each Contractor employee and subcontractor employee working on this Contract must be submitted prior to the commencement of work and early enough so adjudication of the results by the CAO can occur prior to the commencement of this Contract.
